## The Glen Shopping Centre moves ahead

Toowoomba residents are one step closer to having a new shopping destination with leasing underway for The Glen Shopping Centre.

Introducing an exciting range of stores including Coles and Liquorland, The Glen will provide new retail choices for consumers within a neighbourhood shopping centre environment.

The Glen is located on the corner of Glenvale Road and Greenwattle Street, ideally positioned close to schools, showgrounds and new and established residential developments.

McNab will begin construction onsite in coming months with the development to be unveiled just in time for Christmas 2010.

Up to 175 staff will be employed to work onsite at peak times during the construction process.

Managing director Michael McNab said The Glen would provide a much needed boost to the retail facilities currently on offer in West Toowoomba.

“After two years of hard work and planning, it’s exciting to see this development finally becoming a reality,” Mr McNab said.

“McNab is proud to be the driving force behind this new shopping centre, offering Toowoomba residents a new choice in retail facilities.”

Mr McNab said a lack of community retail facilities in the area was a determining factor in the location of the shopping centre.

“Unfortunately, the retail facilities available in Glenvale at the moment are unable to keep up with the exponential growth currently being experienced by the area,” Mr McNab said.

“The introduction of The Glen will certainly go a long way in helping to fill this retail void.”

“With high-calibre tenants including Coles and Liquorland already onboard, we remain very optimistic in attracting further quality tenants to fill the other vacancies.”

The Glen is proposed to include 16 tenancies including a pharmacy/medical centre, food outlets and specialty stores.
